Codes Referenced in the Report –

CA Vehicle Code referenced in the Reporting Period, follows:

4000(a) (1) *A person shall not drive, move, or leave standing upon a highway, or in an off street public parking facility, any motor vehicle, trailer, semitrailer, pole or pipe dolly, or logging dolly, unless it is registered and the appropriate fees have been paid under this code or registered under the permanent trailer identification program, except that an off-highway motor vehicle which displays an identification plate or device issued by the department pursuant to Section 38010 may be driven, moved, or left standing in an off street public parking facility without being registered or paying registration fees.*

5204. *(a) Except as provided by subdivisions (b) and (c), a tab shall indicate the year of expiration and a tab shall indicate the month of expiration. Current month and year tabs shall be attached to the rear license plate assigned to the vehicle for the last preceding registration year in which license plates were issued, and, when so attached, the license plate with the tabs shall, for the purposes of this code, be deemed to be the license plate, except that truck tractors, and commercial motor vehicles having a declared gross vehicle weight of 10,001 pounds or more, shall display the current month and year tabs upon the front license plate assigned to the truck tractor or commercial motor vehicle. Vehicles that fail to display current month and year tabs or display expired tabs are in violation of this section.*

16028. *(a) Upon the demand of a peace officer pursuant to subdivision (b) or upon the demand of a peace officer or traffic collision investigator pursuant to subdivision (c), every person who drives a motor vehicle upon a highway shall provide evidence of financial responsibility for the vehicle that is in effect at the time the demand is made. The evidence of financial responsibility may be provided using a mobile electronic device. However, a peace officer shall not stop a vehicle for the sole purpose of determining whether the vehicle is being driven in violation of this subdivision.*

10.16.050 Parking Space Markings.

b. When such parking space markings are placed in the highway, subject to other and more restrictive limitations, no vehicle shall be stopped or left standing other than within a single space unless the size or shape of such vehicle makes compliance impossible. (Ord. 703 § 40, 1960.)
